

Re: 回复: Wisdom of I Ching. By Master Zeng Shiqiang

Thank You,

My page is non-commercial. When seing this teacher I would wish I could understand chinese.

My page was originally started in 2003 to inform about the presence of Prem Rawat, an indish teacher.

Later when realising that I Ching is founded in the same knowledge I included my experience whith it.

One more time: Thank You for translating !

Dear Jinglei Cai,

I've tried to contact You through Youtube without luck.

First: Thank You for translating this teachers lessons on I Ching.

Is it OK that I had transferred these videos that You have translated in to my homepage ?
